RODRIGO TURELL ALAYÓN

FRONT END DEVELOPER

I have a degree on Communication Sciences from the University of the Republic (Udelar) and I worked for many years as a creative writer and graphic designer in different advertising agencies.

Besides studying communication, creative writing and art direction, I graduated as a "Full Stack Developer" from the development school in Montevideo, Hack Academy.

I am currently taking my first professional steps as a web developer, a career that I am passionate about and keeps me motivated and in constant learning.

Some languages I know:

- HTML
- S(CSS)
- Bootstrap
- JavaScript
- Vue.js
- PHP
- Laravel
- MySQL
- WordPress
- Timber
- Git
